We take real Cairns or Morning Pride helmets and cut them in half, then mount them to solid Walnut using brass hardware. Helmets are available in Red, White, Blue, Black and Yellow.

Helmet Fronts are hand made leather just like the ones you wear on the job. We can duplicate yours or use one of the Gold Leaf Presentation shields seen here.

Solid brass carved eagle front holders can be used on the Cairns 1010 and 880 models. Morning Pride's Ben II helmets Come with a solid brass eagle front holder as well.

The plaque is hand made using solid, grain matched Walnut with a rounded over edge and finished with high gloss Polyurethane.

Your plaque comes ready to hang, including non mar rubber feet on the back to protect the wall and to eliminate slippage.

The engraving plate is solid brass with a gloss black finish and a gold filigree border. Engraving shows through the black as gold. There is no limit on the number of letters or words to be engraved. The plate is bordered by decorative gold touchiers.

The standard Ultimate Award is \$600 plus \$25 shipping. Price may vary depending on what options you ask for.
